Dear Lincoln Park User,

Lincoln Park is one of Chicago's gems, a place in the bustling city to enjoy solitude and nature, to watch Chicago's amazing lake and visit some of our finest cultural institutions.

The Chicago Park District authorizes advisory councils to communicate with Chicagoans on park issues. The result is that that Lincoln Park Advisory Council has led citizen participation in a wide variety of improvement projects through our park for the past 20 years.

We invite you to renew your membership, or join, today. It is important for you to know about the planned improvements and changes in Lincoln Park, before they occur so that the Lincoln Park Advisory Council knows your thoughts.

Please join the Lincoln Park Advisory Council and become a voice for your park.

Act now to become a member of LPAC. With your membership you will receive monthly updates and news of meetings, programs and events. Visit our web site at www.lpacchicago.org and see what's current this year.

LPAC communicates via email. We encourage everyone to register on our website for email updates. Please be sure to include your email addresses when renewing your membership.
