Mr. David Doig, Superintendent
Chicago Park District
541 N. Fairbanks Court
Chicago, IL 60611

Dear Supt. Doig,

Please allow me to introduce myself in a new persona. I have the honor of having been elected the president of the Lincoln Park Advisory Council. I am looking forward to continue working with you on park planning and issues.

One of our first tasks will be to follow the procedure promulgated by the Park District for the approval/disapproval of dog friendly areas in examining the proposal submitted to you by MonDog for an area in Lincoln Park. This will be done at our monthly meeting of June 12th, at 6:45 p.m. in the Lincoln Park Cultural Center.

We are aware that copies of this proposal have already been submitted to you and your staff. However, we have not yet seen the proposal and will not until June 12th. I have been asked by our membership to remind your staff that our action should precede yours and that your action should give heavy weight to ours.

We will be touring the proposed area with a representative of MonDog the Saturday before our meeting, in order to give our members the most information possible for making their decision.

Sincerely yours,

Sheli A. Lulkin
