

Frank Fuscaldo (Director)

Frank is a native of Chicago from the south side. Some of Frank's fondest memories are of the times his family spent along Lake Michigan. Frank developed a talent for property management early, purchasing his first building before he was 20.

He graduated with a Bachelor of Science in Psychology from the University of Illinois, and drew on his knowledge of construction and buildings to take a position with the City of Chicago as a building inspector. He is a member of the Carpenters Union Local 13 and an active member of their Political Action Committee; a sponsor of Equality Illinois, and a member of the B.A.R.G.E. block club. In the summer Frank spends time at Osterman Beach with friends or walking his dog.

He is committed to fair distribution of resources throughout Lincoln Park. Frank has served as LPAC's secretary.
