RE: Free Ice Rink at Waveland and/or Clarendon Parks

Dear Mr. Hinshaw,

Enclosed is your petition with 15 signatures from our March 13th membership meeting for the free ice rink at Waveland and/or Clarendon Parks. I'm sorry to be getting this to you past your deadline of March 15th and hope that you will still accept these signatures. I'm also sending a copy of this letter to our contacts at the Chicago Park District so that they know the membership of LPAC is in favor of such a facility.

Respectfully,

Vickie Matthews
President
