Alderman Michelle Smith
43rd Ward, City of Chicago

Re: Theatre on the Lake

Dear Alderman Smith,

Congratulations to you upon your election as Alderman of the 43rd Ward. The Lincoln Park Advisory Council is looking forward to working with you in a long and productive relationship.

I am delighted that our first official correspondence with you is such a pleasant one.,

Mr. John Wrenn of Patch Hospitality presented his plans for liquor service at Theatre on the Lake to the Lincoln Park Advisory Council.

We reviewed them and voted unanimously to support them. We felt that Mr. Wrenn had a thoughtful plan that served his customers while protecting the interests of other park users.

We encourage your support of his implementation of these plans including the issuance of necessary permits.

Sincerely yours,

Sheli A. Lulkin, President
Lincoln Park Advisory Council
