

Marc Kramer - Director

Marc Kramer is a Chicago native who has enjoyed the Chicago parks since he was in a stroller. Marc is a long time resident of Lincoln Park who has with the appreciation and respect for the parks as they are virtually his front yard and a treasure to his neighborhood. As runner and dog owner, who both lives and works in the neighborhood Marc makes daily use of park and lakefront and is an attentive guardian and observer of condition of the parks.

Marc has a bachelor's degree in economics and a J.D. His educational background and experience has assisted him to excel in his current profession as a mortgage banker. Working in the Lincoln Park community as a representative for national banks for the past 20 years, Marc has been involved with community residents on both a personal and professional level. His professional experience managing varied and often complex financial transactions, his personal esteem for the parks and his background will prove to be valuable to the Lincoln Park Advisory Council
