March 2007

Dear User of Lincoln Park,

Do you want to know more about your park, support and be involved in future projects to improve it? Please join the Lincoln Park Advisory Council (LPAC) and become a voice for your park. Park users' participation in LPAC has resulted in improvements including new walking and running paths, restoration and addition of natural areas, and exciting programs for children and families. But there are always new projects that can use your input.

Act now to become a member of LPAC. With membership you will receive monthly updates and news of meetings, programs and events. Visit our web site at www.lpacchicago.org and see how we've been communicating with many of our members over the past several years.

LPAC communicates regularly and primarily with email. Most active members of LPAC have computers and email addresses so we encourage all members to register on our website for email updates. We would like to reduce the amount of time involved and spare trees by using electronic communications rather than paper, so please be sure to include your email addresses when renewing your membership.

<u>Membership:</u>	<u>1 Year Rate</u>
