

## **Robert Lerch - Director**

I have been a resident of Lincoln Park for over 25 years. My wife and I have raised two daughters, now in college, who attended Lincoln Park High School and we are still active in supporting the high school sports teams.

Over the years I have jogged the park path, walked our dog, sledded, sailed from Montrose Harbor, and organized soccer activities for kids from 6 years old to high school in the park.

I am and have been a volunteer for the American Youth Soccer Organization in Lincoln Park for many years and was Regional Commissioner from 2000-2003. My employment is as an engineer for the U.S. Nuclear Regulatory Commission in Lisle, Illinois.
